Crochet Stitches and Abbreviations

Chain (ch). Make loop in thread, insert hook in loop, and draw main length of thread through. Continue to draw thread through each new loop formed until length desired.

Single Crochet (s c). Insert hook under 2 loops of st, draw thread through st (2 loops on hook), thread over hook, draw through the 2 loops.

Half Double Crochet (half d c). Make like d c until there are 3 loops on hook; then thread over and draw through all 3 loops.

Double Crochet (d c). Thread over hook, insert hook in st, and draw thread through (3 loops on hook), thread over hook, draw through 2 loops, thread over, and draw through the 2 remaining loops.

Treble (tr). Thread over hook twice, insert hook in st and draw thread through st (4 loops on hook), thread over, draw through 2 loops, thread over, draw through 2 loops, thread over, draw through remaining 2 loops. For a **Double Treble (d tr)**, thread over hook 3 times; and for a **Triple Treble (tr tr)**, thread over 4 times, taking off 2 loops at a time as in the tr.

Slip Stitch (sl st). Insert hook through st, catch thread, and, with one motion, draw through both the st and the 1 loop on hook. The sl st is used for joining, or when an invisible st is required.

Popcorn Stitch (pc st). Ch 1, 5 d c in next st, drop st from hook, insert hook back in ch-1 and draw loop through the one on hook.
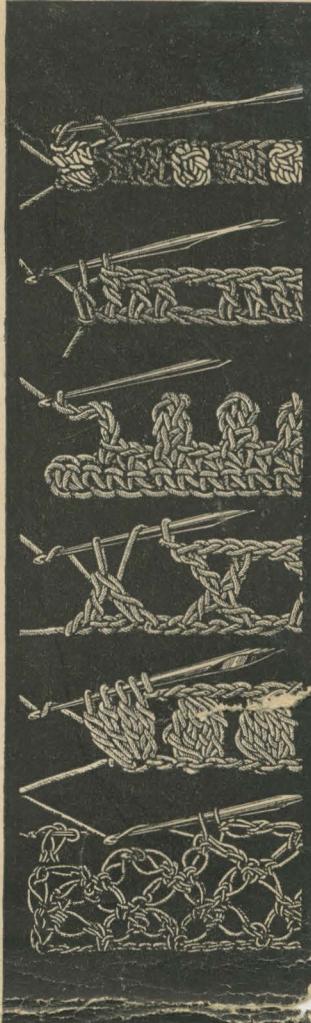

Block (bl) and Space (sp). Make 4 d c over 4 sts of preceding row (this forms 1 bl), ch 2, skip 2 sts (1 sp). The bl and sp are used in Filet Crochet.

Picot (p). Make a ch of 3, 4 or 5 sts, according to length of p desired, and s c in the foundation or in the 1st st of ch.

Cross Stitch. Thread over twice, insert hook in st and draw thread through as for a tr (4 loops on hook), thread over, and draw through 2 loops, thread over, skip 2 sts, insert hook in next st, draw thread through (5 loops on hook), thread over and draw off 2 loops at a time 4 times, ch 2, 1 d c in the center point of the cross, thus completing the cross.

Cluster. Make 3 or more tr in the same st, always holding the last loop of each tr on the hook; then, thread over hook and take off all remaining loops. A tight ch st should then be made to fasten the cluster.

Knot Stitch. Draw loop out on hook ¼ inch, draw thread through, making a ch st of it. Put hook between loop and single thread of this ch and make an s c. Work another similar knot st, skip 4 sts of preceding row, 1 s c in next. Repeat from the beginning to end of row. Make 2⅜-inch knot sts to turn, 1 s c over double loop at right of 1st center knot of preceding row, 1 s c over double loop at left of same knot. 2 knot sts and repeat.

Simple Knitting Stitches

Casting On: Make a loop over left-hand needle. Pass the right needle through front of this loop, thread over, draw through. Now transfer loop just made onto left needle by inserting left needle through front of loop just made. Remove right needle. Repeat for desired number of stitches. (Fig. 1.)

Fig. 1

Purling: Bring the thread in front of both needles. Pass the right needle through the loop, forward and in front of the left needle. Thread over right needle and draw through, allowing stitch on left needle to slip off. *For stockinette stitch*, knit 1 row and purl 1 row alternately. (Figs. 2 and 3.)
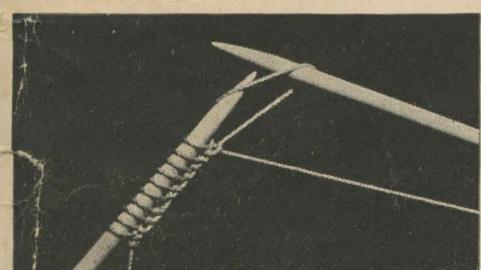

Knitting Plain: When desired number of stitches have been cast on, pass the right needle through the first loop, thread over, draw through and allow first stitch on left needle to slip off. Repeat until all stitches are transferred to right needle.

Fig. 2

Garter Stitch and Binding Off: For *garter stitch*, knit plain each row. (Fig. 4.) To bind off, knit two stitches, slip the first stitch over the second, knit another stitch. Repeat until only one stitch remains. Break thread and draw it through this last loop.
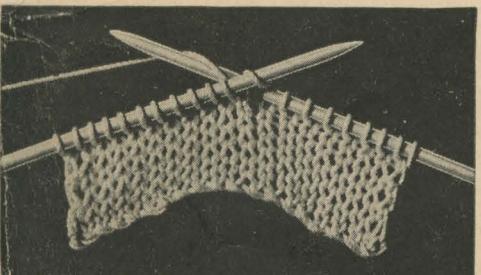

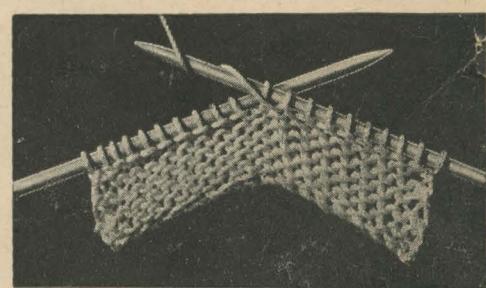

Fig. 4

**Increasing:** To increase a stitch, knit one stitch in regular way, but without slipping the stitch off the left needle; then knit another stitch through the back of same stitch and slip off.

Decreasing: To decrease a stitch, knit two together. Decrease the 2nd and 3rd stitches from edge to make an even edge.

IRISH POPCORN

NO. 60

The combination of Irish Crochet with the tufted popcorn stitch in this bedspread is very effective, especially when it is made in soft gleaming Knit-Cro-Sheen. Twisted strands of the Knit-Cro-Sheen form the fringe of the bedspread.

1 Milward's steel crochet hook No. 6 or 7

Choose one of the following threads in White or Ecru:

J. & P. Coats Knit-Cro-Sheen (approx. 76 balls)

12th row: Ch 3, 1 d c in each st to corner, ch 5, 1 d c in same st for corner, then 1 d c in each st making corners as before. Join with sl st in 3rd st of ch-3 first made. **13th row:** Ch 3, skip 2 sts, 1 s c in next st. Continue around entire block with ch 3 and s c so that there are 18 loops on each side and an additional loop at each corner.

P the next 2 rnds and bind off. This completes block.

Joining: In joining blocks the scallops across the top and bottom are not the same as those along the sides (see diagram). Join blocks (by sewing together with over and over stitches on wrong side) in 9 strips of 12 blocks each, and 8 strips of 13 blocks each. Join strips by alternating 12-blocks and 13-blocks. To curve corner at bottom have strips of 12 blocks along each side of spread.

Join last ch 12 with sl st to base of ch-12 first made (16 loops). Break off. This completes a large motif.

Second Large Motif. Work as for first large motif to 5th rnd incl. 6th rnd: Ch 12, skip 1st tr of next group, tr in each of next 5 tr, working off together as for a cluster, ch 6, sl st in first ch-12 loop on first motif (always keeping right side of work on top), ch 6, 1 s c in the next single tr on second motif, ch 6, sl st in next ch-12 loop on first motif, ch 6, and make a cluster back on second motif as before. Complete this rnd as in first motif with no more joinings. Break off.

Make 11 more motifs joining each motif to previous one as second one was joined to first, leaving 6 ch-12 loops free on each side of joinings on each motif, thus making a strip of 13 motifs. Make a second strip of 13 motifs joining to first strip as follows. **First Motif of Second Strip.** Work as for second motif of first strip and join, as before, to first motif along side of first strip, leaving 2 ch-12 loops free on first motif (counting from joining of first two motifs). **Second Motif.** Work as before to 5th rnd incl. and join to the two adjacent motifs as follows: 6th rnd: Work as for 6th rnd of previous motif, but join to the 3rd and 4th ch-12 loops (counting from joining) of second motif on first strip, then work 2 ch-12 loops back on same motif, then join to the 3rd and 4th ch-12 loops of first motif of second strip. Complete rnd as before, but with no more joinings. Break off. (Note. 2 ch-12 loops are left free on each motif later to be joined to fill-in-motif). Work next 11 motifs of this strip thus joining each motif to adjacent two motifs. Work 15 more strips joining as before. **Fill-in-Motif.** 1st rnd: Ch 8, tr in 8th ch from hook, ch 4, tr in same place, ch 4, tr in same place, ch 4, join with sl st to 4th ch of ch-8 first made (4 sps). **2nd rnd:** Ch 4, 6 tr in first sp, * ch 5, 7 tr in next sp, repeat from * around, joining last ch 5 with sl st to 4th st of ch-4 first made. Sl st in 1st tr. **3rd rnd:** Ch 4, tr in each of next 4 tr, working off together as for a cluster, ch 5, join to 1st ch-12 loop (as large motifs were joined) of a large motif, * ch 5, s c in next ch-4 loop back on fill-in-motif, ch 5, join to 2nd ch-12 loop of same large motif, ch 5, work a 5-tr cluster back on fill-in-motif, ch 5, join to 1st ch-12 loop of next large motif, and repeat from * around. Join and break off. Work and join the remainder of fill-in-motifs in the same way.

Edging. Attach thread to joining point between any two large motifs alongside. * Work 7 s c in 1st loop of next motif, in each of remaining loops of same motif work: 1 s c, 1 half d c, 5 d c, 4 tr, 5 d c, 1 half d c, 1 s c. In last loop work 7 s c. Repeat from * all around bedspread.

J. & P. Coats Knit-Cro-Sheen (approx. 59 balls)

Clark's O.N.T. Lustersheen (approx. 46 skeins)

Clark's O.N.T. Knitting and Crochet Cotton (approx. 46 balls)

This amount is sufficient for a double size spread in White or Ecru. Color requires about one-third more.

Gauge: Spread is made of large and small motifs. One large motif measures 5½ inches in diameter and requires about 37 yards of thread. One small motif measures 3 inches in diameter and requires about 14 yards of thread. Large and small motifs are made individually and then sewed together at points. For a double size spread (about 94 x 115 inches), or a single size spread (77 x 115 inches), make the necessary amount of motifs and then join them to correspond with measurement.

Large Motif. Ch 10 and join with sl st to form ring. **1st rnd:** Ch 3, 23 d c in ring. Join with sl st to 3rd st of ch-3 first made. **2nd rnd:** Ch 10, and complete a cross st as follows: Thread over twice, insert hook in 8th ch from hook, draw thread through (4 loops on hook), thread over once, skip 1 d c and insert hook in next d c, draw thread through (6 loops on hook), thread over, and draw off 2 loops at a time, 5 times. * Ch 3, thread over 4 times, insert hook in next d c and draw thread through (6 loops on hook), thread over, and take off 2 loops at a time twice, then thread over, skip 1 d c, insert hook in next, draw thread through (6 loops on hook), thread over, and take off 2 loops at a time, 5 times. Ch 3, d c in center point of the cross, thus completing the cross. Repeat from * until there are 8 cross sts around circle. Join last ch-3 with sl st to 7th st of ch-10 first made. **3rd rnd:** 5 s c in each sp. **4th to 7th rnds incl:** S c in each s c of previous rnd. **8th rnd:** Ch 4, d c in 1st s c, * ch 1, d c in next s c, repeat from * to end of rnd. Then ch 1, and join with sl st to 3rd st of ch-4 first made. **9th rnd:** Ch 10, and complete cross st as before, skipping 2 d c between each leg of cross st and inserting hook under ch-1 sp. Ch 3 between each cross st. Skip 2 d c between each cross st. Repeat around (20 cross sts) and join last ch-3 with sl st to 7th st of 1st ch-10. **10th rnd:** Sl st in 1st 2 sts of first sp, ch 5, * d c in same sp, ch 3, s c in next sp, ch 3, d c in next sp, ch 2, repeat from * to end of rnd. Join last ch 3 with sl st to 3rd st of ch-5 first made. **11th rnd:** Ch 6, d c in same sp, * ch 4, s c in next s c of previous rnd, ch 4, d c in next ch-2 sp, ch 3, d c in same sp, repeat from * to end of rnd, joining with sl st to 3rd st of ch-6 first made.

Small Motif. Ch 8, join with sl st to form ring. **1st rnd:** Ch 3, 17 d c in ring. Join with sl st to 3rd st of ch-3 first made. **2nd rnd:** Ch 8, and complete a cross st as follows: Thread over once, insert hook in 6th ch from hook, and draw thread through (4 loops on hook), thread over once, skip 1 d c, insert hook in next, draw loop through (5 loops on hook), thread over, take off 2 loops at a time, 4 times. * Ch 3, thread over twice, skip 1 d c, insert hook in next d c, draw loop through, thread over, and take off 2 loops, then thread over, skip 1 d c, insert hook in next d c and draw thread through, thread over and take off 2 loops at a time, 4 times. Ch 3, d c in center point of cross, thus completing the cross st. Repeat from * around (6 cross sts), joining last ch 4 with sl st to 5th st of ch-8 first made. **3rd rnd:** * 4 s c in each ch-3 sp of cross st, and 5 s c in each ch-3 sp between cross sts. Repeat from * to end of rnd (54 s c). **4th rnd:** S c in each s c of previous rnd. **5th rnd:** Ch 4, d c in 1st s c of previous rnd, * ch 1, d c in next s c, repeat from * to end of rnd. Join with sl st to 3rd st of ch-4 first made. **6th rnd:** S c in first ch-1, ch 6, d c in next ch-1, * ch 3, skip 3 d c, s c in next ch-1, ch 3, skip 3 d c, d c in next ch-1, ch 3, skip 1 d c, d c in next ch-1, repeat from * to end of rnd. Join with sl st to 3rd st of ch-6 first made. There should be 8 points.

To Join Motifs: Place large motifs in position. With over and over stitches, sew 3 points of one motif to a corresponding 3 points of the adjacent motif (thus leaving 2 points free on each motif later to be joined to small motifs). Then place small motifs in position, to fill the space left by four large motifs. Sew 2 points of small motif to the corresponding 2 points of the adjacent large motif, thus 2 points of a small motif are joined to 2 points of each adjacent large motif.

Illustrated on cover

This lovely bedspread is made of many small octagonal motifs, joined together with lacy crocheted scallops, carrying with it the interest of the antique Swedish popcorn design. Each motif has small tufts, done in the popcorn stitch. While this crocheted bedspread is very attractive in white, one made in pale yellow or blue will add a note of gaiety to your room.

Clark's O.N.T. Lustersheen (approx. 31 skeins)
Clark's O.N.T. Knitting and Crochet Cotton (approx. 31 balls)

This amount is sufficient for a double size spread in White or Ecru.

Gauge: Each filet block measures about 5 inches square and requires about 38 yards of thread. Each fill-in-block requires about 24 yards of thread. For a double size spread (about 93 x 106 inches), or a single size spread (about 65 x 106 inches), make the necessary amount of blocks and then join them together to correspond with measurement.

Filet Block: To begin, ch 6 and join with sl st to form ring. **1st rnd:** Ch 7 (to count as 1 d c and ch-4), * 1 d c in ring, ch 4, and repeat from * until 7 d c (besides ch-7) with ch-4 between are made. Then ch 1, 1 d c in 3rd st of ch-7 first made. **2nd rnd:** Ch 8 (to count as 1 tr and ch-4), * 1 tr under next ch-4 sp, ch 10 (for corner), 1 tr under next ch-4 sp, ch 4, and repeat from * twice more, then 1 tr under next ch-4 sp, ch 10, join with sl st to 4th st of ch-8 first made. **3rd rnd:** Ch 3 (to count as 1 d c), 1 d c in each of next 10 sts, * ch 5 (for corner), 1 d c in each of next 16 sts, and repeat from * twice more, ch 5, 1 d c in each of next 5 sts, and join with sl st to 3rd st of ch-3 first made. Hereafter pick up only back loop of each st of previous rnd. **4th rnd:** Sl st to next d c (7th d c from corner), ch 5, * skip 2 d c, 1 d c in each of next 6 d c, 1 pc st in next d c, 1 d c in each of next 3 sts of ch-5, ch 5, 1 d c in same st as last d c, 1 d c in each of next 2 sts, 1 pc st in next d c, 1 d c in each of next 6 d c, ch 2, and repeat from * around, ending rnd with 5 d c, and sl st to 3rd st of ch-5 first made. **5th rnd:** Ch 5, skip ch-2 sp, 1 d c in d c, * ch 2, skip 2 d c, 1 d c in each of next 6 d c, 1 pc st in next d c, 1 d c in each of next 3 sts of ch-5, ch 5, 1 d c in same st as last d c, 1 d c in each of next 2 d c, 1 pc st in next d c, 1 d c in each of next 6 d c, ch 2, skip 2 d c, 1 d c in next d c, sp over sp, and repeat from * around, ending rnd with ch 2, sl st in 3rd st of ch-5 first made. **6th and 7th rnds:** Follow this method of increasing 2 sps in each section for each rnd and enlarging block at the corners by adding 3 additional d c at each corner as in 4th and 5th rnds. Join rnds with sl st. **8th rnd:** Work same way as previous rnd, omitting the pc st and making 1 d c in place of it. Join rnd with sl st and break off thread. This completes a block. Make as many blocks as necessary and join them only at the ch-5 corners with an over and over stitch. Thus open squares the same size as the blocks will be formed between blocks.

Fill-in Block: Work into each of these squares as follows: Attach thread to the st where thread was fastened off in completing the block, ch 5. **1st rnd:**

8 sps in this block, making the d c of last sp in last d c of 10-dc group, then * 1 d c in 1st d c of 10-dc group of next block, 15 sps on same block, and repeat from * around the next 2 blocks and 6 sps on the 4th block, ch 2, and sl st to 3rd st of ch-5 first made. This makes 15 sps on each block besides corner sps. **2nd rnd:** Ch 4, 4-tr cluster in next sp which is center sp of block, ch 6, skip 1 sp, 4-tr cluster in next sp, ch 6, skip 1 sp, 4-tr cluster in next sp, ch 4, skip 1 sp, 4-tr cluster in next sp, ** skip 3 sps including corner sp, 4-tr cluster in next sp, ch 4, skip 1 sp, 1 cluster in next sp, * ch 6, skip 1 sp, 1 cluster in next sp, and repeat from * 3 more times, ch 4, skip 1 sp, 1 cluster in next sp, and repeat from ** around, making 3 clusters with ch between on 1st block. Join with ch-1, 1 d c in 4th st of ch-4 made with first cluster. **3rd rnd:** Ch 4, 1 cluster over d c just made, * ch 6, 1 cluster under next ch-6 loop, ch 4, 1 cluster under next ch-6 loop, skip 2 ch-4 loops at corner, 1 cluster under next ch-6 loop (on next block), ch 4, 1 cluster under next ch-6 loop, and repeat from * around ending rnd with 1 cluster on first block, ch 4, and sl st to center st of ch-6 between next 2 clusters. **4th rnd:** Ch 4, 1 cluster under same ch loop, * ch 4, skip 2 ch-4 loops at corner, 1 cluster under ch-6 loop of next block, and repeat from * around. Join last ch-4 with sl st to 4th st of ch-4 made with 1st cluster. Break off thread.
Border: 1st rnd: Attach thread to 3rd st of ch-5 at one of the points, ch 8, 1 d c in same st from which ch-8 started, * ch 2, skip 2 sts, 1 d c in first d c of 10-dc group, ch 2, skip 2 sts, 1 d c in next and continue making sps (16 sps besides corner sp made with ch-8) having d c of last sp in last d c of 10-dc group on same block; then, 1 d c in 1st d c of 10-dc

same place, s c in each of next 3 sts, skip 1 st, in next st work: 1 s c, ch 3, 1 s c. *Skip 1 st, 1 s c in each of next 3 sts, skip 1 st, in next st work 1 s c, ch 3, 1 s c. Repeat from * around making in corners ch-5 between 2 s c. Join with sl st to first s c. This completes one block. The blocks are joined as the last rnd of each is worked. When making the ch-3 picots, remove hook from st after ch-3 is made, insert hook under corresponding ch-3 of next block, put st on hook again and pull through. After all blocks have been made and joined make border as follows: **Border:** Attach thread in a corner ch-5, and make under this ch-5: 3 s c, ch 1, 3 s c, then * ch 4, s c under next ch-3 p, repeat from * till next corner. In corner ch-5 make 3 s c, ch 1, 3 s c. Continue all around spread, joining last ch 4 to first s c with sl st. Sl st up to ch-1 at corner.

2nd rnd: Ch 3 (to count as 1 d c), 2 d c under ch-1, ** 1 d c in each of next 3 s c, * 4 d c under ch-4, 1 d c in s c, repeat from * till next corner, then work 1 d c in each of next 3 s c, 3 d c under ch-1, and repeat from ** all around, joining last d c to 3rd ch of starting ch-3 with sl st. Sl st in next d c, to bring work directly over a corner. **3rd rnd:** Ch 8, d c in same st as last sl st (corner sp), then alternate 1 sp and 1 bl till next corner (ending with a sp), then make another corner sp, and continue all around joining last ch-2 to 3rd st of starting ch-8. Sl st 3 sts. **4th to 8th rnds incl:** Same as 3rd rnd. The sps increased at corners will make bls come over sps, and sps over bls. **9th rnd:** Make 1 d c in each st and 10 d c under corner chs. **10th rnd:** Same as last rnd of block.

Fringe: The netting before the fringe may be either knotted (as in illustration) or the same effect may be had by working 3 rows of knot sts on each side as follows:—Attach thread at a corner, make 1 knot st (to make a knot st, draw loop on hook out 1/4 inch, draw thread through, making a ch st of it, put hook between loop and single thread of this ch and make a s c). Make another knot st, skip 3 d c, s c in next d c. * Make 2 knot sts, skip 3 d c, s c in next d c, repeat from * till next corner, turn. **Next 2 rows:** Make a 2⅜ inch knot st (larger knot sts are needed for turning allowance), * s c over double loop at right of 1st center knot of preceding row, 1 s c over loop at left of same knot, 2 knot sts and repeat from * to end of row. Make a fringe between each pair of knot sts all around. To make a fringe, turn to top of page 32.

THE CHARM of hand-crocheted and hand-knitted bedspreads has established for itself an integral part in homes all over the country. In all homes the desire to create heirlooms that are lovely, lasting and useful is being realized more fully as each day goes by. Block by block and piece by piece, both young and older fingers fashion the stitches that go into these bedspreads.

So much depends upon the yarn you use. For beautiful and satisfying results it should have a soft, lustrous sheen that will catch the light and give a quality appearance that will last throughout the years. In addition, the bedspreads must have even stitches which are possible only with a smooth, even, high-quality cotton yarn that has no nubs. It should also be light in weight so that it will be easy to handle and wash.
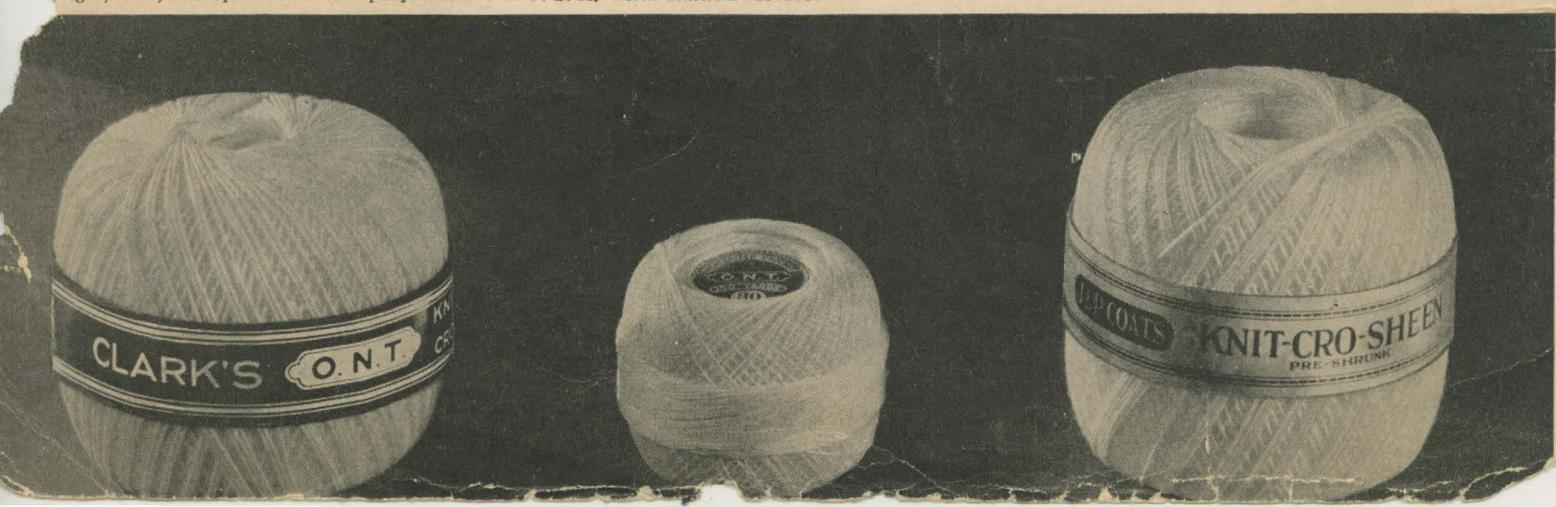

J. & P. Coats Knit-Cro-Sheen in large, softly wound balls or Clark's O.N.T. Lustersheen in skeins offers you these exceptional qualities, in addition to the advantage of being preshrunk. The choice of these mercerized types of yarn is becoming quite prevalent for bedspreads. However, if you prefer a soft, dull texture, you will find Clark's O.N.T. Knitting and Crochet Cotton in balls very satisfactory.

Ecru, with its antique cream-color tone, is very popular now, with White running a close second. However, the widespread use of color in the home in the past few years has increased the use of colored cotton yarns in making bedspreads to match the color scheme of the bedroom. With BOILFAST colors, there need be no fear of fading or running when laundered. Be sure to buy a sufficient amount of the same dye lot color to complete the design you choose to make, as it is impossible to avoid variations in dye lots.
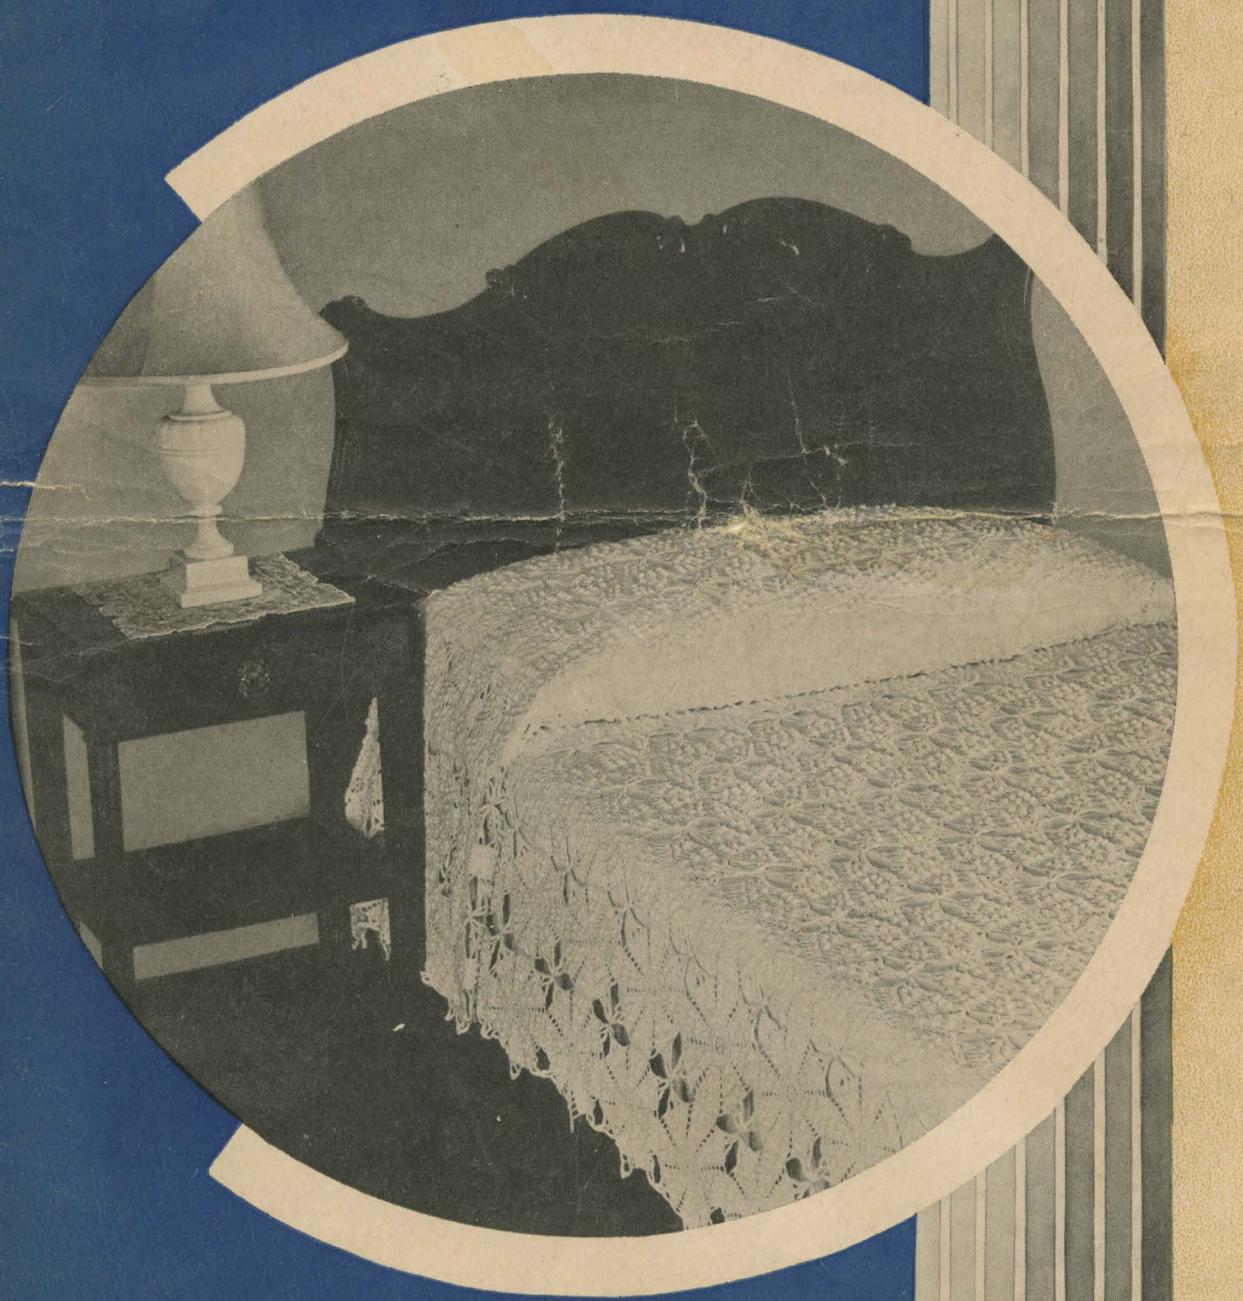

Choose your favorite design and then select the color of yarn from your dealer's stock of J. & P. Coats or Clark's O.N.T. yarns.

This Book of Bedspreads will delight you, and making the design will give you pleasure for many days. Whether the finished article is for yourself, your children, or your friends, it will be cherished and admired by many.
